BAB 1: POLISI HALAL

1.1 Pengenalan

ABC Restaurant komited untuk mengeluarkan produk yang dijamin Halal mengikut standard JAKIM dan Manual Prosedur Pensijilan Halal Malaysia (MPPHM) 2020.

1.2 Objektif Halal

1.0 Introduction and Scope

The purpose of this section is to establish the foundational principles of the Internal Halal Control System (IHCS) for ABC Restaurant, a food service establishment committed to the production and provision of halal-compliant food products to the community. This system ensures full compliance with the Malaysian Protocol for Halal Meat and Poultry (MPPHM) 2020, specifically in relation to food service operations.

1. ABC Restaurant shall ensure that all food items served to the public are prepared, handled, and served in strict accordance with halal requirements as defined under MPPHM 2020.
2. All ingredients, including raw materials, additives, and processing aids, must be sourced from halal-certified suppliers and verified through valid halal certificates.
3. Staff involved in food preparation, handling, and service must be trained in halal food handling practices and are required to adhere to halal protocols at all times.
4. ABC Restaurant shall maintain a documented IHCS manual that outlines procedures, responsibilities, and record-keeping requirements for halal compliance.

Tanggungjawab: Halal Compliance Officer and Management Team
