BAB 1: POLISI HALAL

1.1 Pengenalan

ABC Restaurant komited untuk mengeluarkan produk yang dijamin Halal mengikut standard JAKIM dan Manual Prosedur Pensijilan Halal Malaysia (MPPHM) 2020.

1.2 Objektif Halal

Section 1: General Requirements for Halal Certification

ABC Restaurant, as a food service establishment, must ensure that all food and beverages served to the community are produced in a halal-compliant environment and are supported by an effective Halal Control System.

1. Food and beverages supplied to customers must be prepared in a kitchen that holds a valid Halal Certificate (SPHM) [2].
2. Halal-prepared food must not be mixed with non-halal food at any stage of preparation, storage, or serving to prevent cross-contamination [2].
3. At least one permanent Malaysian Muslim employee must be appointed per food outlet and must be present throughout the operational or shift period to ensure compliance with halal requirements [2].
4. A Halal Supervisor must be appointed at the premises level to oversee daily halal operations and ensure adherence to the Internal Halal Control System (IHCS) [2].
5. The Internal Halal Control System (IHCS) must be established and implemented in accordance with the Malaysian Halal Management System (MHMS) 2020 Manual [2].

Responsibility: Management and Halal Supervisor at ABC Restaurant

Reference: MPPHM 2020 Section 18(4)(j)(iii); MHMS 2020 Manual [2; 1]

1.3 Skop Pensijilan

Syarikat ini memohon pensijilan halal untuk kategori: **Perkhidmatan Makanan**

BAB 2: KAWALAN BAHAN MENTAH

2.1 Prosedur Penerimaan Bahan

Section 2.0: Supplier Verification and Halal Compliance

Verification of supplier halal status is a critical component of the Internal Halal Control System (IHCS) to ensure compliance with MPPHM 2020 requirements.

1. Obtain and review valid Halal certificates issued by JAKIM or an accredited Halal certification body for all raw material suppliers.
2. Verify the authenticity of the Halal logo on supplier packaging and documentation, ensuring it matches the official JAKIM Halal logo and is current and unexpired.
3. Confirm that the supplier's Halal certificate reference number and serial number are recorded in the company's Halal documentation system.
4. Conduct periodic audits or inspections of suppliers, especially for high-risk ingredients, to ensure ongoing compliance with Halal standards.

Tanggungjawab: Halal Compliance Officer / Procurement Manager

Rujukan: MPPHM 2020 Seksyen 2.0; MHMS 2020 Manual [2]

2.2 Senarai Pembekal Halal

Semua bahan mentah mesti daripada pembekal yang diluluskan dan mempunyai sijil halal yang sah dari badan pensijilan yang diiktiraf oleh JAKIM.

Bil	Nama Bahan	Pembekal	No. Sijil Halal	Tarikh Luput
[Sila isi maklumat pembekal anda]				

BAB 3: REKOD PEMBELIAN

3.1 Prosedur Rekod Pembelian

Record Retention Policy

ABC Restaurant shall maintain all Halal-related documentation, including receipts, for a minimum period of three (3) years to ensure compliance with MPPHM 2020 requirements and to support audit readiness.

1. Receipts related to Halal-certified ingredients, equipment, and services must be systematically filed and stored in a secure filing cabinet.
2. All records must be organized by date and category (e.g., raw materials, supplier invoices, Halal certification renewals) for easy retrieval during audits or inspections.
3. Records shall be retained for a minimum of three (3) years from the date of issuance or transaction, in accordance with MPPHM 2020 guidelines.

Tanggungjawab: Halal Compliance Officer and Finance Department

Rujukan: MPPHM 2020 Seksyen 3.4; MPPHM 2020 Seksyen 18(4)(j)(iii) [@2; @1]

3.2 Tempoh Penyimpanan Rekod

Mengikut kehendak MPPHM 2020, semua rekod pembelian mesti disimpan sekurang-kurangnya **3 tahun** untuk tujuan audit dan kebolehkesanan.

BAB 4: PROSEDUR PEMBERSIHAN

4.1 Standard Operating Procedure (SOP) Pembersihan

Section 4.3: Cleaning and Sanitization of Equipment and Work Surfaces

Proper cleaning and sanitization of equipment and work surfaces are essential to maintain halal compliance and prevent cross-contamination.

1. Wash equipment and surfaces with soap and water to remove visible dirt and residues.
2. Rinse thoroughly at least twice to ensure complete removal of soap and contaminants.
3. Dry all surfaces and equipment properly using clean, dedicated cloths or air-drying methods to prevent microbial growth.

Tanggungjawab: Kitchen Staff and Hygiene Supervisor

Rujukan: MPPHM 2020 Seksyen 4.3 [2; 1]

4.2 Prosedur Sertu (jika berkenaan)

Sekiranya terdapat pencemaran najis mughallazah (babi atau anjing), peralatan mesti dibersihkan menggunakan kaedah Sertu:

1. Basuh dengan air mengalir sehingga bersih
2. Sapukan tanah pada bahagian yang tercemar
3. Basuh dengan air mengalir sebanyak 6 kali
4. Pastikan tiada bau atau kesan pencemaran

BAB 5: TANGGUNGJAWAB HALAL

5.1 Eksekutif Halal Dalam

Halal Executive Appointment

The Halal Executive shall be appointed at the company management level to oversee the implementation and maintenance of the Internal Halal Control System (IHCS) in compliance with the Malaysian Halal Management System (MHMS) 2020.

1. Confirm the appointment of Ahmad bin Ali as the Halal Executive in writing, including job title, responsibilities, and reporting line.
2. Ensure the Halal Executive is a Malaysian citizen and Muslim, and holds a permanent position within the organization.
3. Provide the Halal Executive with the necessary authority, resources, and training to fulfill duties related to Halal compliance across all food premises.

Tanggungjawab: Management / Human Resources Department

Rujukan: MPPHM 2020 Seksyen 5.2; MHMS 2020 Manual [2; 1]

5.2 Carta Organisasi Halal

Syarikat telah melantik Eksekutif Halal yang bertanggungjawab untuk:

- Memastikan pematuhan kepada standard halal
- Menjalankan audit dalaman secara berkala
- Menguruskan dokumen dan rekod halal
- Melatih kakitangan tentang keperluan halal

BAB 6: REKOD LATIHAN

6.1 Program Latihan Halal

Section 6: Halal Training and Competency Requirements

Annual halal awareness and competency training shall be conducted for all relevant personnel, including staff and members of the Internal Halal Control System (IHCS), to ensure compliance with MPPHM 2020 standards.

1. Halal awareness training shall be conducted annually for all employees involved in the production, handling, or distribution of halal food products.
2. Halal competency training shall be conducted at least once every three (3) years for all formally appointed members of the Internal Halal Committee (IHC), as mandated by MPPHM 2020.
3. Competency training shall be delivered by a Halal Training Provider registered under HPB JAKIM or a recognized authority, covering the following topics: understanding of Syariah and fatwa; Malaysian Standards (MS); Halal Certification Procedure Manual; Malaysian Halal Management System (MHMS); relevant halal legislation; and critical ingredients, where applicable.
4. Management shall ensure adequate financial and infrastructural support is provided to facilitate the implementation of training programs.
5. All records of halal awareness and competency training shall be maintained securely, kept up to date, and readily accessible for audit or inspection purposes.

Tanggungjawab: Human Resources Department and Internal Halal Committee (IHC)

Rujukan: MPPHM 2020 Seksyen [13]; [13(d); 13(e); 13(f); 13(g); 13(h)] [@0; @1; @2]

6.2 Rekod Kehadiran Latihan

Bil	Nama Kakitangan	Jawatan	Tarikh Latihan	Topik	Tandatangan
<i>[Sila rekodkan latihan yang telah dihadiri]</i>					

BAB 7: KEBOLEHKESANAN

7.1 Sistem Kebolehkesean

Batch Numbering and Product Traceability

ABC Restaurant shall implement a batch numbering system to ensure full traceability of all food products from raw material receipt through to final distribution, in compliance with MPPHM 2020 requirements for halal food production and internal control systems.

1. Assign a unique batch number to each production run, which shall be recorded at the point of raw material intake.
2. Ensure batch numbers are clearly marked on all packaging and maintained in the company's production records.
3. Retain batch records for a minimum period of two years, or as required by applicable regulations, to support traceability during audits or product recalls.

Tanggungjawab: Production Supervisor and Quality Assurance Officer

Rujukan: MPPHM 2020 Seksyen 7.3; MHMS 2020 Manual [2; 1]

7.2 Prosedur Penarikan Balik Produk

Sekiranya berlaku isu halal, syarikat akan:

1. Mengesan semua produk yang terjejas menggunakan nombor batch
2. Memaklumkan JAKIM dalam masa 24 jam
3. Menarik balik produk dari pasaran
4. Menjalankan siasatan punca masalah
5. Melaksanakan tindakan pembetulan dan pencegahan
